ANTI-AGING

ALL SKIN TYPES

HYPO-ALLERGENIC

LAB TESTED

YOUR TREATMENT PLAN!

Step 1: Use SanoSkin Repair Oil (AM & PM)

- After cleansing, apply a few drops of the oil to affected or dry areas.
- Gently massage to allow full absorption.
- Use morning and night for deep cellular repair and hydration.

Step 2: Apply Repair Night Cream (PM only)

- At night, after the oil absorbs, apply a thin layer of the night cream.
- This seals in moisture, enhances skin recovery, and promotes overnight regeneration.
- Wake up to softer, healthier skin.

Perfect For

Acne scar healing Post-laser or post-acne care Dry or sensitive skin Dull, damaged or aging skin

WARNINGS: Store in a cool, dry place away from sunlight. Keep out of the reach of children. Topical use. Avoid contact with eyes.

SCIENTIFIC ENDORSEMENT: In 10 days it helps to recover the skin's elasticity, increases elastin and collagen levels. It deeply hydrates the skin, providing elasticity, flexibility, firms and fills wrinkles. Antioxidant.

OZONATED EXTRA VIRGIN OLIVE OIL

- Nourishing source of fatty acids and triglycerides that restore natural moisture to the skin.
- Fills the skin spaces produced in dry skin.
- Extraordinary cuticle moisturiser.
- Helps reduce and soften marks (such as scars and stretch marks).
- Contains trioleins (skin cell structural fatty acids) and natural azelaic acid, which contribute to skin repair.
- Suitable for all skin types.

Why Ozonated EVOO?

Unique manufacturing process by controlled diffusion of ozone gas filtered on organic Extra Virgin Olive Oil (EVOO) (production respectful of natural resources, contributing to the sustainability of the environment and the agricultural environment), obtained at low temperature and under stable and controlled conditions, avoiding the degradation of the ingredient and respecting its properties.
